

Garehime SOT Meeting 03/16/2021

Meeting called to order at 4:03pm.

In attendance: Michelle Zamora, Amy Jordan, Mara Barraganm Jennifer Van Sickle, Lisa Dixon, Sabrina Mowrey, Ryan Lewis, Bradley Linkins.

Missing: April Ballard

Minutes from February meeting approved by unanimous vote.

Hybrid Distance Learning Update:

Mr. Lewis - parents were given a cohort for their student based off of older data from surveys completed. They are being given a chance to request a change. Cohort classes will be allowed to begin April 6th at 75% capacity. Once that capacity is met, if there are more students than can be accommodated, a wait list will be started. Looking likely for schools to open at 100% at the start of the next school year.

Budget/Title I:

Mr. Lewis - the balanced budget previously discussed by the SOT was submitted and will be revisited once we receive the final budgetary numbers which will occur after Count Day.

Information/Public Comment:

Jennifer VanSickle - what percent are we at now on in person attendance?

Lisa Dixon - the 75% capacity limit is not based on overall school capacity, but rather each classroom and grade. The learning space to accommodate students while observing the social distancing guidelines is what the 75% will be based off of, so there isn't one solid number for the school as a whole.

Next meeting is scheduled for April 20th, 2021 at 4:00pm.

Meeting adjourned.
