## Grade Level Supply Lists

Dear Parent(s)/Guardian(s),

We look forward to working with your child this school year. Below we have listed consumable materials we use regularly in each classroom every year. Please adhere to the items listed below and discuss with your child's teacher any questions you may have regarding classroom supplies. We also would like to give your family the option of making a \$30 donation per student in lieu of purchasing these items yourself. Often times we can obtain these items cheaper in bulk and get the exact items the teachers need in their classrooms. Please contact the office if you would like to take advantage of this option.
