

# NOMINATE A TEACHER

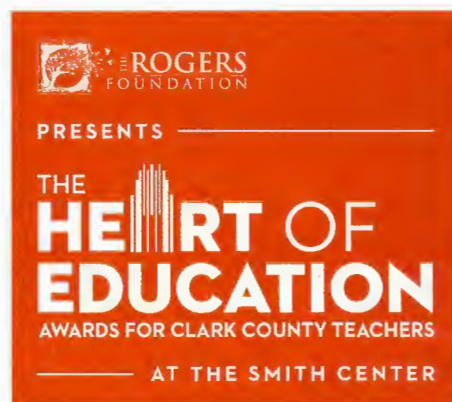

We have great teachers in the Clark County School District who go above and beyond, and our community wants to recognize them. Nominating someone is easy. Teacher nominations can be submitted by students, alumni, parents, colleagues, PTA members, community leaders, or anyone who is not related to the teacher and is familiar with his or her great work. Simply write a recommendation (200 words or less) telling us how a teacher makes a difference in the lives of their students and submit it online at [www.TheHeartofEducation.org](http://www.TheHeartofEducation.org). It is time for Southern Nevada to thank our best teachers, and it all begins with a nomination.

**The deadline for nominations is Thursday, January 18, 2018**

# TEACHER APPLICATION

Once nominated, any CCSD teacher in good standing with three completed, consecutive years of teaching experience may apply. If this includes you, expect to receive an email notification once you have been nominated. This will provide a link to an application with an opportunity to share an essay describing your work. Don't be shy. Your story is important to the community and to your profession.

**The deadline for applications is Thursday, January 25, 2018**

**For details visit [TheHeartofEducation.org](http://TheHeartofEducation.org)**
