

## **SAFEKEY PROGRAM**

Safekey is a before- and/or after-school recreational enrichment program that is owned and operated by the City of Las Vegas Department of Leisure Services. The program is self-supported through program fees. Safekey is designed for children in kindergarten through fifth grades. Safekey follows the Clark County School District calendar and operates only on days that school is in session. Daily and weekly activities include sports and fitness, arts and crafts, music and drama, special events, and homework assistance.

The Safekey Program is operated at Garehime ES beginning at 7:00 AM—8:55 AM and after-school from 3:26 PM—6:30 PM in the multipurpose room. During special school events, it may become necessary to temporarily move the Safekey Program to a classroom or portable. As a reminder, children must be signed in and out upon arrival and departure. If a parent/guardian is unable to sign a child in to the program in the morning, a waiver form must be completed and filed with the program. Please see the Safekey Coordinator regarding the waiver form.

**The Clark County School District and Garehime ES personnel do not assume responsibility for the Safekey Program at Garehime ES.**

Therefore, if you have any questions or concerns about the program, please call the Garehime Safekey office at 799-6000 ext. 4030 during Safekey hours or Safekey Administration at 702-229-3399.
