1. We have \$44,512 left for all school supplies for the remainder of the year. We are being charged Service Level Agreements services for the total of \$264,944.71. We don't have much control of those charges. We discussed each SLA charge, which will be posted in PDF form when it becomes available. No numbers are final because the legislation session is not closed. By law, we are to receive our student projections by January 15, 2019, which will equate to a dollar amount. Administration will make staffing decisions based on those projections. We can amend the budget in June and again after count day in the fall.
