- Members signed in.
- All members approved minutes from the last meeting.
- No public comment.
- Reviewed the 2020-2021 budget and discussed the allocations for next school year.
- Reviewed the districts rehab project and what things would be replaced or fixed to determine what things we need to fix. The district has not provided the school with a complete list of things that will be replaced besides carpet and the playgrounds at this time.
- Reviewed the district's technology budget and discussed what was needed as a school without knowing what was included in the technology rehab of the school to determine where the schools needs are at this time.
- The March meeting is set for Monday, March 30, 2020 at 4:00 PM in the library.
- Meeting was adjourned.
