**New Items**

- TEAM MEMBERSHIP  
With Mr. Lillebo's planned move to a new school for the 2017-2018 school year, there was a discussion about the process for replacement. The team could choose to have him stay on the team through his last day at the school in June or to replace him immediately with the staff member who received the next highest number of votes during elections in December. It was decided by the team that he would remain on the team through the end of the school year.
- STRATEGIC BUDGET AND TITLE I BUDGET PROPOSAL 2017-2018 (BOTH ITEMS CONSIDERED TOGETHER)  
Mr. Lewis reviewed the enrollment from this year and projections for next year as well as the allocations by grade level. If the allocations end up per district projections, the amount outside staffing that is available is \$58,453.24 from the strategic budget and \$59,850.00 from the Title I budget for a total of \$118,303.24. As part of that amount, Mr. Lewis is recommending funding the humanities position again for next year. He reviewed what the prep schedule would look like if the school did not continue with the position and went back to a five-day rotation. The remainder would go into the supplies budget. Mr. Lewis also recommended that, if extra funds become available at a later time, some of the money could be used to fund certified temporary tutors to provide reading intervention support. Fullington moved and it was seconded to continue funding the humanities position. All voted yes.
